TO ALL TAHRA MEMBERS:

Recently our Housing Authority saw how good our supplemental insurance programs are. Employee Benefit Specialists, Inc. in Morristown wrote us cancer, intensive care, life and accident coverage around six years ago. Up until a few months ago we have not had any major claims. Let me assure anyone looking at EBS' plan that they pay very well and very promptly. The benefits are unlimited in most cases and the rates are reasonable for our employees.

If EBS approaches you, take a look at what they have to offer.

Sincerely,

William R. Kincaid
Executive Director
